“Professional employee” means any certificated employee of the school district, but excludes administrative personnel including superintendents, supervisors, or principals for the purposes of negotiations.

NEGOTIATIONS PROCESS

Either the board or the local education organization may make a request for negotiations. At its discretion, the board may request written evidence from the local education organization that it represents the majority of the professional employees for negotiations. The board may further request that the local education organization establish annually that it represents the majority of

professional employees for negotiations prior to the commencement of negotiations.

The individual(s) selected to represent the local education organization will be a member(s) of the organization designated to represent the professional employees and a professional employee(s) of the district. At its discretion, the board may designate any individual(s) as its representative(s) for negotiations. However, in the event the board chooses to designate any individual(s) other than the superintendent or elected trustee(s) of the school district, the local education organization is authorized to designate any individual(s) of its choosing to represent the organization for negotiations. Negotiations will only occur between the respective designated representatives.

Negotiations will consist of meeting and conferring in good faith on those matters specified in any such negotiation agreement between the board and the local education organization. In the event a conflict exists between the negotiated agreement and state or federal law, state or federal law will prevail unless a provision exists allowing the negotiated agreement to prevail. The board may, without negotiation or reference to any negotiated agreement, take action that may be necessary to carry out its responsibilities due to emergency situations or acts of God.

PUBLIC ACCESS

All negotiations with the local education organization will occur in public. Joint ratification of all final offers of settlement will be made in open meetings, and each party must provide written evidence confirming to the other that majority ratification has occurred.

Accurate records or minutes will be kept and will be available for public inspection at the district's office during normal business hours. All documentation exchanged between the board, or its designees, and the local education organization will be subject to the public writings disclosure laws, including all offers, counteroffers and meeting minutes.

At the earliest possible time practicable, the district will post notice of all negotiation sessions on the front page of its website. If time permits, notices will also be posted within 24 hours of the negotiation sessions at the district's regular meeting physical posting locations.

DURATION OF NEGOTIATED AGREEMENTS

All agreements entered into through the negotiation process will have a one (1) year duration of July 1 through June 30 of the ensuing fiscal year. Neither the board nor the local education organization has authority to enter into any agreement or provisions that are in any force or effect for multiple years or indefinitely, or otherwise does not expire on its own terms on or before June 30 of the ensuing fiscal year, with the exception of certain negotiated provisions that meet the criteria for a nonrolling two (2) year duration.

Upon mutual ratification, the board may enter into negotiated provisions with a nonrolling two (2) year duration for any item other than compensation and benefits. The nonrolling two (2) year provision must have a designated start date and end date. The negotiated nonrolling two (2) year provisions may not be renegotiated during the two (2) year term, but may be addressed by the board and the local education organization at the expiration of the end date of the two (2) year

term.

F. The Association shall be given an opportunity at faculty meetings to make announcements.

G. Designated representatives of the Association shall be allowed to receive telephone messages and other communiqués concerning Association business during school hours provided this does not interfere with nor disrupt regular teacher or classroom duties.

V. LEAVE DESCRIPTIONS

A. Sick Leave

1. Number of Days: Sick Leave shall be granted to each teacher at the rate of thirteen (13) days per school year, with no accumulating limit. If a teacher takes

more than ½ of the student days in sick leave in a year and will not be able to assume his/her full-time regular teaching duties of the next school term, he/she will not be eligible to receive a contract for that next year. If it appears that a teacher may fall into this condition, the Board may issue a Letter of Intent in the spring with a provisional statement based on the ability to assume his/her teaching duties for the next year.

2. Any sick leave taken for more than 3 (three) consecutive days must be prior approved by the building administrator.
3. Any sick leave requested during the first or last two weeks of school must be for emergency only and be approved by a building principal.
4. To ensure ethical use of sick leave, the certificated employees and the district will follow Idaho Code 33-1216.
5. The District will grant a one-time bereavement leave of up to three (3) days per year, upon approval of employee's supervisor, for the death of employee's spouse/partner, child, parent, sibling, or parent of spouse/partner. Additional bereavement leave taken shall be deducted from employee's sick leave days.

B. Personal Leave

Number of Days: Personal Leave shall be granted to each teacher working less than 10 years for the district, at the rate of four (4) days per year. Personal Leave shall be granted to each teacher working 10 years or more for the district, at the rate of five (5) days per year. Any staff member holding up to four (4) days of personal leave at the end of the school year will be paid \$65 per day in their July paycheck.

C. Sick Leave Bank

Each certificated employee of the District may participate in the Sick Leave Bank. To participate, each employee shall contribute four days of his/her earned leave days as determined by the Sick Leave Bank Committee. Leave days thus contributed shall be deducted from the individual's leave entitlement. The contributed leave days shall form a fund of leave days that will be available to all eligible participating certificated employees upon recommendation of the Sick Leave Bank Committee for the purpose of alleviating the hardship caused by the absence from work necessitated by extended or recurring illness which extends beyond the employee's accumulated leave.

1. Application for use of the Bank shall be submitted to the Sick Leave Bank Committee for their recommendation. The Committee shall review the request and determine the eligibility of the employee. If the Committee deems necessary, it shall require proof of illness at the time of application and from time to time on an individual basis.
2. Committee shall have the authority to establish such guidelines as it deems necessary to implement this program. Guidelines shall have the approval of the Aberdeen Education Association Executive Board and the Board of Trustees. After complete review of the application, the Committee shall have the authority to make final decisions within the guidelines as to the disposition of the case.
3. In order for professional employees to be eligible for such leave benefits from the Bank, the employee must:
 - (a) Be a contributor to the Bank.
 - (b) Employees must use all of their accumulated leave or forty (40) days whichever is the lesser amount. In addition, employees must forfeit two days pay

before applying to the Sick Leave Bank.

4. Should the Sick Leave Bank become less than 100 days, the Sick Leave Bank committee will seek voluntary contributions from members of the bank. This voluntary contribution will not exceed the number of days assessed new employees to become members of the bank. If voluntary contributions do not meet the needs of the bank, the committee may assess all members.
5. The maximum number of days that may be granted in any fiscal year will be the remaining number of days an employee is scheduled to work under his/her current contract. In no case will the granting of leave cause an employee to receive a greater amount of pay from the District than his annual salary for that year. The number of leave days granted shall not exceed the number of days absent from work due to illness or accident.
6. Bank grants to individual employees will not be carried over from one fiscal year to another. All such grants will end at the termination of the school year. If a certificated employee does not use all of the days granted by the Bank, the unused leave days will be returned to the Bank.
7. The Sick Leave Bank committee shall consist of three (3) members appointed by the Association and two (2) members appointed by the District. The committee shall develop and distribute the rules and procedures for the orderly administration of the Bank. The Committee shall also be responsible for reporting to the District business office the names of contributors and the number of days contributed.
