MEDICARE

ENROLLMENT PERIODS

When a Medicare Beneficiary May Change Their Plan

ENROLLMENT OPPORTUNITIES

- Turning 65 Years of Age
- Losing or dropping Employer Sponsored Coverage (once 65+)
- A person becomes eligible for Medicare 24 months after being granted a qualifying Social Security Disability
- Medicare Annual Enrollment Period (Oct. 15th- Dec. 7th)
- Medicare Advantage Open Enrollment Period (Jan 1st-March 31st)
- When a person moves to a new County or State
- Certain plan changes made the year before can allow someone to change plans any month of the current year

MEDICARE, MEDICAID, AND LOW-INCOME SUBSIDY

- Individuals who have both Medicare and **Medicaid and/or a Low-Income Subsidy** can change plans once per quarter
- A Medicare beneficiary can change their plan when their Medicaid status changes

SKILLED NURSING & LONG-TERM CARE

- If a Medicare Beneficiary is expecting (and confirmed) to stay in a facility for a MINIMUM of 90 days, then they can change their Medicare plan.
